*Certain car models service schedules may vary slightly from our check list and/or have special part requirements which means servicing and oil changes may cost a little more i.e V6 models - next price group, fully synthetic oil + £10 per litre. If your car is affected the FastFit Station Manager will provide you with a quotation and an explanation.

CAN'T FIND YOUR CAR?

No problem! We list the cars we repair most often, but we will be pleased to provide a similarly competitive price for your car, whatever the make. Please ask the FastFit Station Manager!

QUOTATION: "The price you see is the price you pay!"

If you are unsure what is wrong with your car, please don't ask for work you may not need. Take advantage of our FastFit diagnosis and ask the FastFit Station Manager for a quotation -

IT COULD SAVE YOU MONEY!

We will NOT exceed this Quotation, nor do any extra work without explaining it to you and gaining your approval.

REMEMBER:

We offer a full range of garage services and can supply you with a 'FastFit Service History' for your car so that you can keep a record of repairs. Future owners of your car will find this useful because our warranties are transferable.
